

CAREEL BAY TENNIS CLUB NEWSLETTER, JULY, 2011

www.careelbaytennis.net.au

FROM THE PRESIDENT ...

Well courts 1 and 2 have been resurfaced for five months now and members generally seem to be very happy with the new surface. Following the heavy rains we had in April and May some members have mentioned "dead spots" on the courts. We are continuing to monitor these and other concerns with Council.

I mentioned in the last newsletter that Roly McAdam and his associates had decide not to proceed with the proposed café. As no other interested party has come forward to continue with this venture, we are withdrawing our application currently with Council.

James Channon and Robyn Wells (supported by the rest of the committee) have done a sterling job in revising and updating the club's constitution. This will be presented to all members prior to the AGM in September.

Not a great deal else to report at present, so that's all for now folks.

FROM THE CAPTAIN ...

Well it's that time of the year again when we drag ourselves out onto the court for combat, we have just successfully completed the Veterans tournament. Congratulations to all who entered the event with special thanks to Roly who as tournament referee had to negotiate the minefields of hair appointments and lattes to get the tournament completed. A special mention must go to Angie Webster who has taken out this year the triple crown, Vet's ladies singles, ladies doubles and mixed doubles titles.

That leads us onto the Open championships which commence on the 6th of August and weather permitting be completed for Finals Day on the 23rd of August, I know that posturing for partners has already started and look forward to receiving the entry forms from you all. This year for the finals we will be attempting to hold them all on the same day and to allow the players to concentrate on the games will be having umpires, linesman/women and ball persons! Should make for an interesting day.

Don't forget the our annual general meeting is coming up on the 11th of September shortly after the completion of the Open Championships, nominations for Committee members will be up on the notice boards for all interested members to participate in the running of the club. So if you feel up to the challenge please place your name on the nomination list, new committee members are always welcome.

On that note I will sign off, to the members who are unwell we wish you all a speedy recover and hope to see you down the club shortly.

Happy hitting to all and I hope to see you all down the club at some time.

James Channon
